To Whom It May Concern:

This letter is to verify that **Staci Cobabe** is in the process of finishing the coursework and Internship Teaching requirements needed to complete the Elementary Teacher Education Program at the University of Utah. Upon the successful completion of requirements and passing scores on the Praxis II Multiple Subjects Exams, Staci will be recommended for a Utah Level I Teaching License to the Utah State Office of Education. Staci is expected to receive an **Elementary Education K-6 License** and an **ESL Endorsement**.

Due to the length of time required for posting of degrees and recommendation processing, it may take several weeks past the end of the semester for licenses to be distributed.

Please feel free to contact me should further information be required.

Sincerely,

Sara Hatch

UITE Advisor
